Project Description

The objective of this project is therefore to a) establish a Pilot Innovation-Investment Platform for in the Amazon that increases farmers' income from regenerative agriculture improved access to responsible markets and b) to create the conditions to scale the Platform's impact at the regional level.

Investment Description

- Inter-American Development Bank (IADB)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [Fundación Aliados](#) (Financial Intermediary)

Private Actors Description

As stated on the company's website, Aliados connects smallholder farmers to responsible markets through regenerative agriculture, unlocking new value for the world's most biodiverse landscapes.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
