### Project Description

The overall objective of the project is to improve the conditions to facilitate private participation in the financing and implementation of infrastructure projects and public services in Ecuador. The specific objectives are: (i) support the transport and energy sectors in structuring PPP projects; (ii) facilitate the exchange of experiences and incorporate best practices in the region in the development of PPPs; and (iii) contribute to the development of local capacities in the understanding of the challenges and benefits of PPPs. In order to achieve these objectives, the TC will feature three main components: (i) Institutional strengthening for PPPs, (ii) support for PPP project structuring in the transport and energy sectors, and, (iii) local capacity development.

#### ACCOUNTABILITY MECHANISM OF IDB/ IIC

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
