<b>Investment Type(s)</b>	Grant
<b>Investment Amount (USD)</b>	\$ 0.25 million
<b>Project Cost (USD)</b>	\$ 0.25 million

### Project Description

According to the Bank's website, the goal of this Technical Cooperation (TC) is to support the execution of the loan "Reduction of the digital educational gap in Ecuador", whose purpose is to advance the digital transformation of education in Ecuador through the strengthening of technological infrastructure and connectivity across Ecuadorian schools. Specifically, this TC will (i) provide technical support to the procurement processes to ensure the quality of the products; (ii) finance evaluation and monitoring initiatives to ensure that the results of the Loan are achieved in a timely manner; (iii) carry out diagnoses to ensure that the Program effectively contributes to reducing the digital education gap in Ecuador.

- Inter-American Development Bank (IADB)

## Contact Information

No contact information provided at the time of disclosure.

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
