## Project Description

According to the IDB, the general objective is to strengthen gender and diversity mainstreaming processes in the country. The specific objectives are: (i) to provide technical assistance to strengthen gender and diversity mainstreaming in the Bank's operations and in the strategies of ministries, secretariats and other institutions; (ii) to support women's and indigenous enterprises in the bio-economy linked to the tourism value chain in the Ecuadorian Amazon.

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

*No contacts available at the time of disclosure*

## ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
