## Project Description

According to the IADB, the objective of the TC is to support the preparation and execution of the Water and Sanitation Program for the city of Cuenca (EC-L1297). Specifically, TC resources will be used to support: (i) the review and adjustment of project designs to be financed by the program, including complementary studies (economic, socio-environmental and climate change) that may be necessary for project implementation; (ii) the preparation, prioritization and definition of the ETAPA management improvement component; and (iii) the detailed planning of activities and the start-up of program implementation.

## Investment Description

- Inter-American Development Bank (IADB)

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
