Guyana Climate Resilient Water Infrastructure Improvement Program

Quick Facts

Countries	Guyana
Specific Location	Uninformed
Financial Institutions	Inter-American Development Bank (IADB)
Status	Active
Bank Risk Rating	B
Voting Date	2025-07-16
Borrower	Government of Guyana
Sectors	Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	\$ 15.57 million
Loan Amount (USD)	\$ 15.57 million
Project Cost (USD)	\$ 15.57 million

Project Description

According to the IADB, the General Objective of the first individual loan operation is to enhance the climate resilience, operational and financial sustainability of GWI's potable water services provision. The specific objectives of the first individual loan operation are to: (i) provide new access to quality potable water services to meet growing demand in Diamond and surrounding communities; (ii) reduce Non-Revenue Water and improve metered coverage in the East Bank Demerara (EBD), the East Coast of Demerara (ECD) and Cummings Lodge Water System, Georgetown; and (iii) Improve commercial, operational and financial management capabilities and digitalization of GWI.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
