Project Description

According to the Bank's website, this project finances support in order to build strategic capacity management in the Government of Guyana to effectively manage the emerging oil and gas sector in the country. This project will provide: (i) support to operationalise protocols for management and compliance monitoring; (ii) general training and support to key agencies; and (iii) a platform for dissemination of best practices for software solutions for compliance monitoring.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

No contact information available at time of writing.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
