Project Cost (USD)	\$ 0.57 million

Project Description

The objective is to support the Secretariat of Finance of Honduras (SEFIN) in the integration of climate action into fiscal policy and management. To achieve this objective, this Technical Cooperation (TC) will finance three types of activities: (i) development of a fiscal management framework for climate change; (ii) support for the implementation of policy instruments for green fiscal management; and (iii) dissemination of knowledge and exchange of good practices.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
