Project Description

The project aims to develop an educational model that leads to greater employment by using soccer as a methodological tool. Sports provide a texted tool for the development of socio-emotional skills of young people, which in turn, better their chances at successfully completing their education and leading productive lives within the workforce.

Investment Description

- Inter-American Development Bank (IADB)

This Technical Cooperation project costs USD 329,446 total. The IADB is financing USD 0.15 million through its MIF-Small Enterprise Development Facility, and there is USD 179,446 in country counterpart financing.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
