Project Cost (USD)	$ 0.20 million

Project Description

The Objective of this this operational support TC is to provide technical assistance to the Secretary of Public Education (SEP) in the development of a robust monitoring system for the La Escuela es Nuestra program. Specifically, the TC will support the development and implementation of a monitoring system for the use of school grant funds sent to the Comite Escolar de Administracion Participativa (CEAP) of beneficiary primary schools in Mexico. The development of this system will contribute to the transparency, quality assurance, and sustainability of the program in improving teaching and learning conditions in primary schools in Mexico.

Investment Description

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
