<b>Investment Type(s)</b>	Advisory Services
<b>Investment Amount (USD)</b>	\$ 0.20 million
<b>Project Cost (USD)</b>	\$ 0.20 million

### Project Description

The general objective is to promote the productive development of the south-southeastern states of Mexico. The specific objectives are: (i) identify relevant actors (public, private and academic sectors) in the productive ecosystem; (ii) identify strengths and opportunities to catalyze productive development processes (productive vocation of the territory, opportunities for linkages with global value chains, presence of universities/research institutes, social capital, etc); and (iii) support mechanisms and processes for public-private collaboration.

### Contact Information

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
