Support for the Preparation and Initial Execution of the Potable Water and Rural Sanitation Program

Project Description

The objective of the TC is to provide operational-technical support to the Government of Nicaragua in the preparation and initial execution of the Potable Water and Rural Sanitation Program (NI-L1154). With resources from the TC, the preinvestment and investment studies and other studies and consultancies necessary for the approval and future execution of the Program will be supported.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
