Project Description

The main objective of this TC is to strengthen the institutional capacities of the Ministry of Interior, to stablish the necessary foundations for the implementation of the National Strategy for the Prevention of Crime and Violence. Specifically, this TC plans to develop policy management tools to: (i) improve coordination between local governments, the Ministry of the Interior and the National Police; (Ii) increase police capacity to carry out intelligence and crime investigation strategies; and (iii) improve systems for collecting, managing, and analyzing criminal statistics

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
