Status	Approved
Bank Risk Rating	B
Voting Date	2018-08-21
Borrower	Government of Peru
Sectors	Education and Health, Technical Cooperation
Investment Type(s)	Grant
Investment Amount (USD)	\$ 0.30 million
Project Cost (USD)	\$ 0.30 million

### Project Description

The bank states that the project seeks to support the transformation of health networks in Peru by strengthening a network approach and efficiency in the provision of services. With the project, we expect: (i) to support the conclusion of the pre-investment studies required for the declaration of viability of the Program for the Transformation of Health Networks and Efficiency in Health Management (PE-L1228); (ii) support to medium and high management of the health sector in the design and efficient implementation of investments in the health sector contemplated in the aforementioned program; and (iii) technical assistance for the development of innovation initiatives and strengthening of primary health care and support services with a network approach.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
