IADB-PE-T1573

Modernization of the immigration services of the Ministry of Foreign Affairs

Project Description

According to the IADB, the objective is to support the Ministry of Foreign Affairs in strengthening its capacity to provide migration services and processes, by improving its processes through the structuring of an interoperable technological system, called the Single Migration Management System of Peru.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (Spanish).
