Sanitation Program of District of Arraijan and La Chorrera - PSACH
Phase I

Early Warning System

Sanitation Program of District of Arraijan and La Chorrera - PSACH Phase I

IADB-PN-L1121

Quick Facts

Countries	Panama
Specific Location	Arraiján and La Chorrera
Financial Institutions	Inter-American Development Bank (IADB)
Status	Approved
Bank Risk Rating	B
Voting Date	2016-11-16
Borrower	Ministry of Health
Sectors	Water and Sanitation
Investment Type(s)	Loan
Investment Amount (USD)	\$ 150.00 million
Project Cost (USD)	\$ 640.00 million

Project Description

The general objective is to help improve sanitary conditions and reduce pollution in urban waterways and rivers in the districts of Arraiján and La Chorrera. The specific objectives are to: (i) increase sewer and wastewater treatment coverage in the program's area of intervention; (ii) help build capacity for the management of works and sustainability in the sector; and (iii) promote the proper operation of the sewer system through comprehensive environmental and sanitation education interventions. As a result of these interventions, it is expected that 16,800 households will have new connections, the wastewater generated by 65,800 households will be effectively treated, and the pollutant load in the districts of Arraiján and La Chorrera will be reduced by about 40%.

Investment Description

- Inter-American Development Bank (IADB)

The total estimated cost of the program is US\$640,123,158, with the IDB financing up to US\$150 million equivalent from the Flexible Financing Facility of its Ordinary Capital. The program will have a local government counterpart contribution of US\$240,123,158 and parallel financing of up to a total of US\$250,000,000 from AECID, CAF, the EIB, and CABEI. The program has an expected execution period of six years.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
