## Project Description

According to the IADB, the overall objective of the program is to improve the sustainability of the Disability, Old Age, and Death program administered by the Social Security Fund in Panama. To this end, the program focuses on three specific objectives: (i) strengthening the financing of the IVM program; (ii) expanding IVM coverage; and (iii) improving the adequacy of the retirement benefits provided.

## Investment Description

- Inter-American Development Bank (IADB)

### Contact Information

No contacts available at the time of disclosure.

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
