Investment Amount (USD)	$ 0.50 million
Project Cost (USD)	$ 0.55 million

Project Description

The general objective of the operation is to reduce the skills gap of the Panamanian workforce. The specific objectives of the operation are: (i) support the design and implementation of a strategy to identify and address skill needs in four prioritized sectors (construction, agriculture, logistics and tourism) with the participation of the productive sector; (ii) support the implementation of a relevant information system on the supply and demand of skills; (iii) improve the quality and relevance of training providers for the development of programs and quality management.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
