### Project Description

IDB: SOCIAL INVESTMENT-POVERTY ALLEVIATION

"The objective is to support the closure of a cycle of policy reforms that strengthens Panama's Social Protection System and improves equity in social spending. In this way, this TC will support the Ministry of Social Development (MIDES, Spanish acronym) in: (i) improving the targeting of Conditional Cash Transfers (CCT) programs, (ii) moving forward with its process of institutional strengthening, (iii) advancing with the implementation of management tools to improve its technological and institutional capacity."

### Investment Description

- Inter-American Development Bank (IADB)

### Contact Information

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
