IADB-PN-T1261

Post-COVID Economic Recovery for Indigenous Coffee Producers

### **Project Description**

According to IADB website, the project aims to increase the income of indigenous coffee producers in the post COVID economic recovery context by strengthening coffee production through sustainable and climate resilient agroforestry systems and improving processing and sales of coffee through novel indigenous - private sector partnerships.

### **ACCOUNTABILITY MECHANISM OF IADB**

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
