---

## Project Description

According to the IADB, the project aims to support the Ministry of Health of Panama (MINSa) and the Social Security Fund (CSS) in the functional integration of health services to improve their coverage, quality, and efficiency. The following specific objectives are included: (i) improve the management and monitoring of patients through the development of digital tools; and (ii) improve the management of health services and medical supplies for the integration and joint public procurement between MINSa and CSS, as well as their updating with efficiency and technology criteria.

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
