Project Cost (USD)	\$ 0.15 million

Project Description

According to the IADB, the objective of this Technical Cooperation (TC) is to foster the institutional capacity of the Panama Guarantee Fund, the executing unit for Micro, Small and Medium-sized enterprises (MSMEs)'s financing projects of the National Bank of Panama (BNP, by its acronym in Spanish), to bolster its operations and techniques to increase access to financing for Panamanian companies. This objective includes adapting the Fund's technology platform, which allows for approving and processing a greater number of guarantees associated with loans for MSMEs. It also includes support to strengthen human resources to generate the installed capacity to achieve a greater reach and impact of the guarantees used by local commercial banks.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
