IADB-PR-T1198

Improvement of the efficiency and access of the civil registry in Pagaguay

Project Description

This project funds the creation of a new model for Paraguay's civil registry offices, specifically at the regional level. Specifically, it funds a national review of the regional Paraguayan government offices, initiates a pilot program for strengthening the civil service, and disseminates knowledge on Paraguay's new model for government offices.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
