Project Description

The objective of this TC is to support strengthening of the sector by: (i) planning improvements to essential water and sanitation infrastructure and contingency strategies to address climate change scenarios for metropolitan Asuncion, with an approach that prioritizes vulnerable populations; and (ii) developing institutional and social capacities for sustainable, quality management of water and sanitation services, through tools that facilitate operational management, the development of an improvement plan, and social coordination mechanisms with a participatory and gender-equity approach.

Investment Description

- Inter-American Development Bank (IADB)

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

https://www.iadb.org/en/access-information/information-request.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
