## Project Description

The general objective of this Technical Cooperation (TC) is to strengthen the institutional capacity of the Office of the Comptroller General of the Republic (CGR) of Paraguay to effectively fulfill its role as the lead and coordinating body of the new integrity, transparency, and anti-corruption regime. The specific objectives are: (i) to support the implementation of the new Integrity, Transparency, and Anti-Corruption Regime; (ii) to strengthen the capacities of the CGR's communications area and the design of innovative strategies for disseminating oversight results; and (iii) to consolidate the CGR's performance auditing through the training of its high-performing team and the strengthening of its internal structure for the application of this audit modality.

## ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
