<b>Investment Type(s)</b>	Advisory Services
<b>Investment Amount (USD)</b>	\$ 0.10 million
<b>Project Cost (USD)</b>	\$ 0.10 million

### Project Description

According to the IADB, the objective of the Technical Cooperation is to support CONACYT by ensuring the continuity of the initiatives and efforts implemented by PROINNOVA aimed at strengthening the innovation and entrepreneurship ecosystem through: (i) strengthening human capital and technological adoption to drive sustainable innovations led by Paraguayan micro, small, and medium-sized enterprises (MSMEs); (ii) promoting open collaboration and institutional strengthening to support innovation projects led by entrepreneurs, companies, and the scientific community.

-

## **ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST**

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
