Technical Support to the Vice Ministry of Transport for the Implementation of the Metropolitan Public Transport System Reform

Project Description

The general objective of the Technical Cooperation is to contribute to improving the quality, efficiency, and sustainability of Paraguay's metropolitan public transport system by strengthening the institutional capacity of the Viceministry of Transport to effectively implement the sector reform. The specific objectives are: (i) to strengthen the organizational structure and the technical and regulatory capacities of the Viceministry of Transport; (ii) to support the structuring of the system's bidding processes and trust fund under principles of transparency, efficiency, and sustainability; and (iii) to promote the incorporation of inclusion and gender equality approaches in the public transport system through the design of a pilot program for women bus drivers.

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
