| Investment Amount (USD) | \$ 0.15 million                        |
| Project Cost (USD)      | \$ 0.31 million                        |

## **Project Description**

The objective of the project is to adapt the Wumbox initial literacy module to an APP that does not require connectivity for its use, which would allow access to millions of users in rural and urban areas with no or low-quality internet connection.

#### **Investment Description**

• Inter-American Development Bank (IADB)

The countries' counterpart amount to USD 160,000.

## **Contact Information**

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
