Status	Proposed
Bank Risk Rating	U
Borrower	Regional
Sectors	Education and Health
Investment Type(s)	Grant
Investment Amount (USD)	\$ 0.50 million

## Project Description

According to the Bank's website, the objective of the project is to strengthen and scale the virtual high school model of Dawere, a Venezuelan-based EdTech that has developed a robust online platform to provide quality, affordable, flexible and officially accredited online education for Spanish-speaking youth and adults who cannot attend a traditional face-to-face school, who are in situations of vulnerability or forced displacement.

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

No contact information provided at the time of disclosure.

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
