Sectors	Education and Health, Industry and Trade, Law and Government
Investment Type(s)	Grant
Investment Amount (USD)	$ 0.80 million
Project Cost (USD)	$ 1.77 million

Project Description

This project aims to improve the ability of Caribbean countries to respond to health, safety and environmental risks. Specifically, the project funds the creation of a regional health information, surveillance, monitoring, and response system, a set of regional standards for managing health and environmental risks in tourism, and a training program to build capacity in food and environmental sanitation.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
