Borrower	Ministries of Education
Sectors	Education and Health, Technical Cooperation
Investment Type(s)	Grant
Investment Amount (USD)	$ 0.95 million
Project Cost (USD)	$ 1.37 million

Project Description

From the IADB:

This Technical Cooperation project proposes to promote the creation of the Research Laboratory Innovation in Education for LAC that strengthens decision-making processes and information about education policies in the region by improving the quality of available information and facilitating exchanges between policy-makers and producers of knowledge on the basis of a consensual regional agenda among the Ministries of Educations of the beneficiary countries.

The specific objectives of the project n are: (i) to facilitate access to critical information for decision-making in education, through the creation and communication of evidence; Ii) informing the design and implementation of evidence-based educational policies, through analysis of successful processes and practices; (Iii) to promote innovation in education, anticipating avant-garde themes and making promising practices visible; (Iv) create demand for evidence-based policy; And (v) strengthen the link between policy makers and knowledge generators by creating networks of researchers according to regional priorities.

Investment Description

- Inter-American Development Bank (IADB)

The total budget for this project will be US$1,370,000, of which US$950,000 will be financed by the IADB through the Regional Public Goods Initiative and an in-kind contribution from Fundación Chile valued at US$420,000.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
