Project Description

IDB: SOCIAL INVESTMENT-HUMAN RESOURCES & WORKFORCE DEVELOPMENT
"The main objective of the TC is to support the Caribbean's efforts to address the challenges of low productivity and high youth unemployment. Specifically, the TC will contribute to (i) gaining a better understanding of the situation of youth in the Caribbean labor markets; (ii) engaging the private sector so that it can more actively participate in skills development for the youth; and (iii) promoting a systemic and long-term vision for skills development through the development of concrete roadmaps and action plans outlining steps to be taken in the short, medium, and long term and that emphasize the importance of multi-stakeholder engagement."

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
