## Project Description

According to the bank, the objective of this Technical cooperation is to provide relevant tools to the countries of El Salvador, Nicaragua and Honduras, Nicaragua to improve the economic and employment opportunities by strengthening the public-private relationship in sectors that are drivers of growth and employment, and to foster partnerships for workforce development that includes: private sector engagement strategies, analysis of potential synergies for the development of curriculums of a more demand-driven skills training and a skills roadmap to guarantee a sustainable workforce development strategy.

## Investment Description

- Inter-American Development Bank (IADB)

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
