Project Description

The objective of this operation is to finance the activities of the Regional Policy Dialogue (RPD) in 2018 and 2019. In 2000, the Bank's Board of Executive Directors approved the creation of the RPD (GN-2096-2). The general objective of the RPD is to promote a high-level policy dialogue between Latin American and Caribbean (LAC) countries and Bank officials, in order to identify innovative practices, strengthen institutional capacity, share experiences both from the region and from the rest of the world, and improve the quality of reform strategies. At the same time, the RPD provides the opportunity for the Bank to receive direct feedback about countries' public policy priorities, which subsequently informs Bank's future operational program.

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
