## Project Description

The objective of this Technical Cooperation (TC) is to increase the Infrastructure and Sustainability Departments' capacity and promptness to respond to financing requests from client countries. In particular, it will seek to finance the studies needed to prepare loan operations with potential to be con-financed between the Bank and the financing instruments offered by the General State Administration of Spain

## Investment Description

- Inter-American Development Bank (IADB)

Spanish Framework - General Cooperation

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
