Investment Amount (USD)	$ 0.15 million
Project Cost (USD)	$ 0.15 million

Project Description

Strengthen capacities for the exchange of regional experiences and facilitate the dissemination of knowledge and lessons learned between the Ministry of Security of the host country and its counterparts in the Latin American, the Caribbean and other regions in regards to the implementation of public policies on citizen security and justice. This will create a space for the exchange of regional and extra-regional experiences and high-level knowledge on the implementation of public policies on citizen security, evaluation and generation of knowledge, as well as disseminating the results of successful experiences.

Investment Description

- Inter-American Development Bank (IADB)

Ordinary Capital

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
