Project Cost (USD)	$ 0.33 million

Support for Implementation of the Regional Strategic Action Plan for Governance and Building Climate

Project Description

The objective of this Technical Cooperation (TC) is to support the implementation of the Regional Strategic Action Plan for Governance and Building Climate Resilience in the Water Sector in the Caribbean (RSAP). The RSAP was prepared through a collaborative process among Inter-American Development Bank (IDB), the Caribbean Development Bank (CDB), and other development partners including PAHO and UN Environment and others, between 2017 and 2018, under the auspices of the Caribbean Water and Wastewater Association (CWWA).

Investment Description

- Inter-American Development Bank (IADB)

Ordinary Capital

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
