Investment Type(s)	Grant
Investment Amount (USD)	$ 0.65 million
Grant Amount (USD)	$ 0.65 million

Project Description

According to IADB website, the objective of the RPG is to strengthen the capacity of the countries in LAC to face the effects of COVID-19 promoting digital transformation in health. Within the public good are three main components: (1) the implementation of a regional agreement and proof of concept (PoC) for the exchange of clinical summary of care between LAC countries, to control the risk of public health diseases, considering a COVID-19 case. (2) The validation of a regional Framework for the development of Telehealth and PoC to support the diagnosis and treatment of COVID-19 among countries in the region. (3) The generation of a Global Health Surveillance Protocol based on the integration of healthcare records of providers in the region, with the PAHO analysis programs and reports for COVID-19.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
