<b>Investment Type(s)</b>	Advisory Services, Grant
<b>Investment Amount (USD)</b>	\$ 0.42 million
<b>Project Cost (USD)</b>	\$ 0.57 million

## Project Description

Strengthen comprehensive public policies against gender-based violence at the regional level for a life free of violence through the creation and strengthening of caregiving communities in four cities in Latin America. The action of the participating cities will allow generating results for collective use at the regional level that point to the adoption of the concept of caregiving cities for a life free of violence as well as the consolidation of local networks of agents, generating actions that prevent and attend in a more comprehensive way. gender-based violence and the protection of the most immediate community in the context of the worsening of the problem due to Covid-19.

## Investment Description

- Inter-American Development Bank (IADB)

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
