LAC E-Coop: Piloting Innovative Green Finance to Promote Productive Community-Based Clean

## **Project Description**

As stated by the IADB, the objective is to promote access to clean energy under innovative models that involve climate change mitigation and decarbonization of production chains in rural areas. This will have an impact on increasing the resilience of the rural population and the agricultural sector in the region.

LAC E-Coop: Piloting Innovative Green Finance to Promote Productive Community-Based Clean

## **Investment Description**

• Inter-American Development Bank (IADB)

According to the IADB, the country counterpart financing will be in the amount of US\$ 502,429.00.

#### **Financial Intermediary**

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

• Deutscher Genossenschafts und Raiffeisenverband EV (Financial Intermediary)

#### **Contact Information**

No contacts available at the time of disclosure.

#### **ACCOUNTABILITY MECHANISM OF IADB**

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (Spanish).
