Project Description

The objective of technical cooperation (TC) is to support the management of the Transparency Fund through initiatives that promote the design and implementation of transparency, integrity and anti-corruption policies, mechanisms and tools. As well as supporting the preparation, execution and/or evaluation of investment or technical assistance projects, financed with resources from other Bank funds, aimed at promoting transparency.

Investment Description

- Inter-American Development Bank (IADB)

Contact Information

"No contacts available at the time of disclosure."

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
