Project Cost (USD)	\$ 0.80 million

## **Project Description**

According to the IDB, the objectives of the TC are two-fold: (1) to mainstream disaster risk management (DRM) in infrastructure projects financed by the Bank; and (2) to complete the rolling-out of the Disaster and Climate Change Risk Assessment (DCCRA) Methodology for IDB projects.

## **Investment Description**

• Inter-American Development Bank (IADB)

#### **Contact Information**

No contacts available at the time of disclosure

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
