<b>Investment Amount (USD)</b>	\$ 0.28 million
<b>Project Cost (USD)</b>	\$ 0.28 million

### Project Description

The general objective of the Technical Cooperation (TC) is to develop a Study Tour to support the design and implementation of policies for the extension of the school day (ESD) in LAC to improve and diversify learning opportunities and develop innovative pedagogical strategies. More specifically, the learning mission will help to: (i) develop a deeper understanding of ESD opportunities; (ii) identify institutional, legal, financial, and operational challenges to develop ESD policies; and (iii) enhance ESD in Latin America and the Caribbean (LAC), drawing insights from Croatia to enhance its design and implementation.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
