### **Project Description**

According to the IADB, this TC seeks to capitalize on the evolving landscape of GVCs by supporting LAC countries in addressing critical challenges, leveraging regional strengths, and ensuring adherence to international labor standards. By providing detailed competitiveness studies, regional analyses, and targeted policy recommendations, this TC aims to drive economic growth, attract foreign investments, ensure sustainable development, and promote fair labor practices across the region.

**ACCOUNTABILITY MECHANISM OF IADB**

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
