Investment Amount (USD)	\$ 0.70 million
Project Cost (USD)	\$ 0.70 million

Project Description

According to the IADB, the objective of this TC is to implement the South Connection Program in three strategic priorities: enhancing physical and digital infrastructure for regional connectivity; optimizing logistics and trade facilitation to streamline processes, reduce costs, and strengthening supply chains; enhancing regulatory frameworks and institutional capacities to foster better policies, promote investment, and ensure efficient governance. Hence, this TC will carry out studies and research to advance the agenda of South Connection Program in the 11 countries.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
