### Project Description

This Technical Cooperation (TC) aims to deepen and expand the strategic, economic, and financial partnership between Japan and the Latin America and Caribbean (LAC) region, commemorating the 50th anniversary of Japan's accession to the Inter-American Development Bank (IDB). Its objectives are to: (i) facilitate economic linkages between Japan and LAC; (ii) promote trade, investment, and financial opportunities, including co-financing opportunities with Japanese institutions; (iii) support knowledge exchange through Japan's development experience, technologies, and innovation systems; and (iv) strengthen public- and private-sector capacities through targeted dialogue, sectoral engagement, and structured business networking.

## Contact Information

### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
