Investment Amount (USD)	\$ 1.48 million
Project Cost (USD)	\$ 1.48 million

Project Description

The general objective of this project is to strengthen and increase resilience to disasters in Latin America and the Caribbean (LAC) through the implementation of the Regional Impact Program "Ready and Resilient Americas", in its three areas of action, which correspond to the three specific objectives of this operation: (i) to improve the quality and availability of disaster risk data in order to support effective decision-making for resilience investments and emergency preparedness; (ii) to strengthen regional coordination mechanisms among countries, subregional networks, international organizations, and the private sector to ensure a rapid response in the event of a disaster; and (iii) to implement innovative financial strategies to enhance resilience and provide protection against disasters.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
