Borrower	IDB borrowing countries
Sectors	Communications, Law and Government, Technical Cooperation
Investment Type(s)	Advisory Services
Investment Amount (USD)	$ 0.12 million
Project Cost (USD)	$ 0.12 million

Project Description

According to the bank disclosure statement, the objective is to strengthen the capacity of LAC governments, utilities, and infrastructure agencies to adopt artificial intelligence and digital transformation tools -- delivering practical AI products, data-driven decision instruments, and a sector-specific readiness methodology that public institutions can use to assess their gaps, identify priority use cases, and chart a concrete path toward AI-enabled infrastructure service delivery.

Investment Description

- Inter-American Development Bank (IADB)

ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at http://www.iadb.org/en/mici/mici,1752.html (in English) or http://www.iadb.org/es/mici/mici,1752.html (Spanish).
