Borrower	Government of Suriname
Sectors	Law and Government
Investment Type(s)	Loan
Investment Amount (USD)	\$ 40.00 million
Project Cost (USD)	\$ 40.00 million

Project Description

The general objective is to contribute to poverty reduction in Suriname by expanding the social protection system's coverage, efficiency, and capacity to promote human capital among vulnerable households. The specific objectives are to: (i) enhance the social protection system to better protect vulnerable populations, specifically female-led poor households and persons with disabilities, and improve efficiency through improved targeting methods; and (ii) promote human capital development among poor households with children.

Investment Description

- Inter-American Development Bank (IADB)

ACCESS TO INFORMATION

You can submit a request for information disclosure at:

<https://www.iadb.org/en/access-information/information-request>.

-

ACCOUNTABILITY MECHANISM OF IDB / IDB INVEST

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IDB Invest)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IDB Invest is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to MICI@iadb.org. You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
