## **Project Description**

The objective of the present TC will be to improve the livelihoods of communities in the interior (mostly headed by women) by promoting the production and commercialization of cassava porridge and other cassava related products. The specific objective of the project is to increase the quality, quantity, and commercialization opportunities of the cassava crop. Farmers will be trained in a variety of techniques to improve their processes and ensure that quality requirements are met for the production of cassava products.

- Inter-American Development Bank (IADB)

TOTAL COST: USD 727,210

COUNTRY COUNTERPART FINANCING: USD 226,250

IADB FINANCING: USD 500,000

### Contact Information

#### ACCOUNTABILITY MECHANISM OF IADB

The Independent Consultation and Investigation Mechanism (MICI) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an Inter-American Development Bank (IDB) or Inter-American Investment Corporation (IIC)-funded project. If you submit a complaint to MICI, they may assist you in addressing the problems you raised through a dispute-resolution process with those implementing the project and/or through an investigation to assess whether the IDB or IIC is following its own policies for preventing or mitigating harm to people or the environment. You can submit a complaint by sending an email to [MICI@iadb.org](mailto:MICI@iadb.org). You can learn more about the MICI and how to file a complaint at <http://www.iadb.org/en/mici/mici,1752.html> (in English) or <http://www.iadb.org/es/mici/mici,1752.html> (Spanish).
